The following is in response to the office action dated February 24, 2005. Kindly enter the following amendments:

In the claims

1. (currently amended) A substantially dry disposable flexible article useful for cleaning, sanitizing and disinfecting hard surfaces comprising
 - a) a first water insoluble thermoplastic non woven layer having outer and inner surfaces,
 - b) a water insoluble non woven core layer containing a treatment composition adapted for cleaning hard surfaces, and
 - c) a second water insoluble thermoplastic non woven layer having outer and inner surfaces wherein the core layer is positioned between the inner surfaces of said first and second layers and the first, second and
